OFFICE OF PETITIONS

Dear Ms. McMillan,

You are named as a joint inventor in the above identified United States patent application, filed under the provisions of 35 U.S.C. 116 (United States Code), and 37 CFR 1.47(a) (Rules of Practice for the United States Patent and Trademark Office [USPTO]). Should a patent be granted on the application, you will be designated therein as a joint inventor.

As a named inventor, you are entitled to inspect any paper in the file wrapper of the application, order copies of all or any part thereof (at a prepaid cost pursuant to 37 CFR 1.19), or make your position of record in the application. Alternatively, you may do any of the aforementioned through an attorney or agent registered to practice before the USPTO and presenting written authorization from you. If you care to join in the application, counsel of record (see below) would presumably assist you. Joining in the application would entail the filing of an appropriate oath or declaration by you pursuant to 37 CFR 1.63.

Requests for information regarding this application should be directed to the File Information Unit at (703) 308-2733. For information on how to order a copy of the application or a specific paper in the application, contact the Certification Division at (703) 308-9726 or 1-(800) 972-6382 (outside the Washington DC area). Telephone inquiries regarding this letter should be directed to Petitions Attorney RC Tang at (703) 308-0763.
